

# 2017-2018 Club Participation and Impact Report

## SOROPTIMIST INTERNATIONAL OF THE AMERICAS

In 2017-2018, **1,595 women received over \$2.4 million in funding** through the Soroptimist Live Your Dream: Education and Training Awards for Women.

This year, funding increased by \$319,771 (15%) and 128 additional women received the award (9%). The total of non-cash awards given by clubs was valued at \$169,231 (29% increase). Additionally, 85% of clubs in Soroptimist International of the Americas participated in the Live Your Dream Awards, which is a 1 percentage point increase from last year.

These increases in funding provided to recipients, number of women honored with an award, additional support, and club participation demonstrate clubs' and regions' response to our organizational goal of increased collective impact. Increased impact for the Live Your Dream Awards, in addition to 80,000 supporters engaged in LiveYourDream.org, more and diverse funders, and a slowdown in our membership decline prove that we can accomplish more when we work together. To secure our future – and the impact we have on women – we need to continue our efforts to work towards the same goals. SIA is committed to honoring more women who have faced obstacles such as poverty, violence, teen pregnancy or other circumstances. SIA's research found 9.6 million women in our 21 countries and territories who are women head of households living in poverty. These are women who could be served by our Live Your Dream Awards. For us to grow our collective impact – and for others to understand how our global efforts improve the lives of women – we need to continue investing our resources in the Live Your Dream Awards to strengthen our story of greater impact.

To determine the impact of the Live Your Dream Awards, SIA sends a survey to recipients three years after they receive their award. In 2017-2018, SIA sent surveys to 1,137 women who received an award in the 2014-2015 club year. Recipients from three years ago shared exciting results:

- 86% who completed their education improved their standard of living for themselves and their dependents
- 93% reported increased self-esteem
- 74% who completed their education secured higher-paying employment
- 94% reported serving as a role model for their dependents
- 55% reported past experiences with domestic violence, sexual assault, child abuse, trafficking, and/or prostitution. Of those women, 97% report now living in a safe environment.

## Inspiring Stories

In addition to quantifiable results, we also received stories from women about how the program has affected their lives and the lives of their families.

From a recipient in Japan who overcame domestic violence, sexual assault, child abuse, trafficking, or prostitution, received USD\$501 - \$1,000 in Live Your Dream Award funding, went on to complete her education as well as experience increased self-esteem, pay-level, and standard of living, and now serves as a role model for her child:

*As a single mother family, we were financially struggling, but I studied hard and obtained a license and now, I work as a nurse. I received the Live Your Dream Award when I was at a professional training school and the award gave me encouragement and energy because I felt that it acknowledged my hard work. My child is proud that I work in a medical field and hopes to work in the field as well. He/she also watched how I studied hard, and listens to what I teach. It is said that children grow up watching their parents as examples. I am glad that my child knows that I try hard. I hope to continue to teach him/her the importance of making progress without complaining about hardship one is facing through my attitudes and behavior.*

From a recipient in Canada who overcame domestic violence, sexual assault, child abuse, trafficking, or prostitution, received USD\$501 - \$1,000 in Live Your Dream Award funding, went on to complete her degree as well as experience increased self-esteem, pay-level, and standard of living, and now serves as a role model for her children:

*A little over one month after receiving your award, I was in a bad car accident just before graduation. I was unable to work in my new field. I was unable to properly care for my children. Remembering the encouragement and support that I received at my award dinner from so many people I didn't even know, I was more determined not to give up and succumb to my injuries. I graduated a year later and I am currently working as an educational assistant. Receiving your award taught me to look deeper into myself and pull strength from within, knowing you felt me to be worthy of such an incredible honour. I thank you.*

From a recipient in the United States who overcame domestic violence, sexual assault, child abuse, trafficking, or prostitution, received USD\$1,001 - \$3,000 in Live Your Dream Award funding, went on to complete her degree as well as experience increased self-esteem, pay-level, and standard of living, and now serves as a role model for her child:

*I have entered into a career that will raise me and my daughter out of generational poverty. I am currently working as a social worker for the Department of Corrections.... Without the women of Soroptimist and their many levels of support, I could not have become the woman I am today nor the mother I've always wanted to be and wished I had growing-up!*
